

## The Alternative way to do the Camino

Prepared by F. & S. Nilsen

Want to do the Camino in style? Don't fancy staying in dormitories or pilgrim refuges? Want to take your time and see as much as possible along the route? If you can afford to stay in nice hotels, inns or even beautiful Paradors, this is for you! Many villages and towns have a hostel, inn or hotel as well as the pilgrim refuge. The guide is based on 37 days, walking an average of 20kms per day from Roncesvalles to Santiago staying in double rooms in hostals, hotels, inns and four Paradors.

- *The exception is in St Juan de Ortega where there is no alternative accommodation. Family rooms are available at the refuge upon request.*
- Prices and contact details are from the 'Guia oficial de Hoteles Y Campings del Camino de Santiago' published by Turespaña in 2004 and are subject to change.

**HR = Residential (no diningroom)**
